Layers Tab Selected

The screenshot shows the 'ESTIMATOR for SketchUp' window. At the top, there are tabs for 'Component', 'Layer', 'Material', 'Quotes', and 'Reports', with 'Layer' selected. Below the tabs, there are navigation buttons (left and right arrows) and a status indicator '1 of 3'. To the right of these are buttons for adding (+) and removing (-) associated costs. The main area contains a list of items, currently showing '(0) Item(s): \$0.00'. Below this is a 'Layer Selected:' dropdown menu. A checked 'Include in Estimate' checkbox is present. There are input fields for 'Cost Code:', 'Description:', and 'Vendor:'. An 'Attribute:' dropdown is set to 'Yard?'. A 'Multiplier' field contains '*1'. Below these are fields for 'Unit Rate' (0), 'Unit Displayed', 'Labor' (0), 'Waste: (%)' (0), and 'Tax: (%)' (0). At the bottom of the form are 'Save Changes' and 'Clear' buttons. A summary bar at the bottom shows 'Cost Estimate \$0.00' and checkboxes for 'Include Quotes' and 'Include Margin' (set to 0%). A red 'E' icon button is also visible.
